SAFETY DATA SHEET

Effective Date: 01/01/2026
Revision: 3

SECTION 1: Identification

Product Name:	Artificial Powdered Beef Flavor; PC-0125
Product Code:	PC-0125
Recommended Use:	Mixture of flavor materials
Supplier:	PF LLC
Supplier Address:	585 Distribution Dr., Ste. 4, Melbourne, FL 32904
Suppler Phone:	1-321-821-4863
Emergency Phone:	1-321-821-4863 Monday - Friday 7:00 am to 3:30 pm EST

SECTION 2: Hazard Identification

This product is not considered hazardous by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

Precautionary Statements:	**IF ON SKIN:**	In case of contact with skin, wash skin with soap and water. Remove contaminated clothing and wash.
	IF IN EYES:	In case of contact with eyes, flush eyes with water (low pressure) for at least 15 minutes. If irritation develops, seek medical attention.
	IF INHALED:	If there is difficulty breathing, remove to fresh air, seek medical attention.

SECTION 3: Composition/Information on Ingredients

CAS Number: Mixture

The identity of the individual components of this product is proprietary information and is considered a trade secret pursuant 29 CFR 1910.1200.

This product contains no ingredients listed or defined as hazardous under the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

See section 2 and 8 for additional information.

SECTION 4: First-aid Measures

First Aid Eye:	In case of contact with eyes, flush eyes with water (low pressure) for at least 15 minutes. If irritation develops seek medical attention.
First Aid Skin:	In case of contact with skin, wash skin with soap and water. Remove contaminated clothing and wash.
First Aid Ingestion:	If swallowed, rinse mouth and throat thoroughly with tap water. Drink water.
First Aid Inhalation:	If inhaled remove from contaminated area to fresh air. Report situation. Seek medical attention if allergic response is exhibited.
First Aid Advice:	The allergic symptoms are runny nose, cough and sneezing. Contact with powder causes irritation to sensitive skin and eyes. Any person who experiences any allergic or sensitive reactions to this powder should refrain from handling it again.

SECTION 5: Fire Fighting Measures

Fire Fighting Extinguisher Media:	Water spray, foam, dry chemical, carbon dioxide
Fire Fighting Chemical Hazards:	May cause allergic respiratory action
Fire Fighting Protective Actions:	Fire fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece, operated in positive pressure mode.

SECTION 6: Accidental Release Measures

Spill/Leak Procedure:	Clean up spill while keeping dust to a minimum and discard the product. Wear appropriate personal protective equipment (see section 7 & 8).
Environmental Precautions:	Avoid dispersal of spilled material.
Containment/Cleanup:	Spilled product should be removed immediately. Dispose by any approved method for non-toxic waste material.

SECTION 7: Handling and Storage

Handling Advice: Always follow Good Manufacturing Practices for housekeeping. Never handle powder without appropriate personal protective equipment in accordance with Section 8. Avoid formation of dust. Ensure good ventilation of the room where handling this product. Avoid splashing and high pressure washing.

Hygiene: Maintain good standards of industrial hygiene.

Storage: Store in tightly closed poly-liners within tightly sealed containers in an environment with a temperature range of 15° - 30° C and a relative humidity not greater than 65%.

SECTION 8: Exposure Controls/Personal Protection

Occupational exposure limits:	Not available
Biological limit values:	Not available
Control banding:	Not available
Appropriate engineering controls:	Adequate ventilation required for dusty conditions.
Eye/Face protective equipment:	Protective glasses, goggles or face shield
Skin protection:	Impermeable gloves recommended
Respiratory protection:	None required under usual conditions of use. However, if breathable dust is present, a suitable dust mask is recommended (refer to NIOSH Criteria Guides to determine appropriate unit).
Thermal protection:	Not available
Special requirements:	Not available

SECTION 9: Physical and Chemical Properties

Appearance:	Brown powder with very fine white particles
Odor:	Roast beef and liver flavor and aroma
Odor Threshold:	Not available
pH:	Not available
Melting point/freezing point:	Not available
Initial boiling point and boiling range:	Not available
Flash point:	Not available
Evaporation rate:	Not available
Flammability (solid, gas):	Not available
Upper/lower flammability or explosive limits:	Not available
Vapor pressure:	Not available
Vapor density:	Not available
Relative density:	Not available
Solubility:	Slightly soluble
Partition coefficient: n-octano/water:	Not available
Auto-ignition temperature:	Not available
Decomposition temperature:	Not available
Viscosity:	Not available

SECTION 10: Stability and Reactivity

Reactivity:	Not available
Stability:	Stable
Hazardous reactions:	Not available
Conditions to avoid:	Not available
Incompatible materials:	Not available
Hazardous decomposition products:	Not available

SECTION 11: Toxicological Information

Acute toxicity:	Not available
Skin corrosion/irritation:	Not available
Serious eye damage/irritation:	Not available
Respiratory or skin sensitizaton:	Not available
Germ cell mulagenicity:	Not available
Carcinogenicity:	Not classified as a carcinogen by IARC, OSHA, or NTP
Reproductive toxicity:	Not available
STOT-single exposure:	Not available
STOT-repeated exposure:	Not available
Aspiration hazard	Not available

SECTION 12: Ecological Information

Toxicity:	Not available
Persistence and degradability:	Product is readily biodegradable
Bioaccumulative potential:	Not available
Mobility in soil:	Not available
Other adverse effects:	Not available

SECTION 13: Disposal Considerations

Disposal Methods: No special disposal method required. Any disposal practice must be in compliance with local, state and federal laws and regulations (contact local or state environmental agency for specific rules).

SECTION 14: Transport Information

UN Number:	Not classified
UN Proper Shipping Name:	Not classified
Transportation Hazard Class:	Not classified
Packing Group:	Not classified
Transport Environmental Hazard:	Not classified
Transport Special Precautions:	Not classified
MARPOL:	Not classified

SECTION 15: Regulatory Information

This product contains no chemicals that are considered hazardous by OSHA.

SECTION 16: Other Information

Although the information and recommendations set forth in this sheet are believed to be correct as of the date hereof, PF LLC makes no representation as to the completeness or accuracy of such information and recommendations. PF LLC shall in no event be responsible for damages of whatsoever nature directly or indirectly resulting from the publication or use of or reliance upon such information and recommendations. You are encouraged to advise anyone working with or exposed to such products of the information contained herein.

No warranty, either express or implied, of merchantability or fitness or of any other nature with respect to the product or to the information and recommendations herein is made hereunder.
